

# 'The Big Idea' Competition

This competition is for all Fair Field pupils.

## **Why are we having a competition?**

We need your ideas. We want to create something special on the site of our swimming pool. We know you will have lots of ideas.

## **We will choose winners in the following categories:**

- Most imaginative idea (a creative bit of thinking).
- Best communicated design (careful drawings or explanations).
- Most sustainable idea (good for the environment).
- Overall winner (a real corker of an idea).

## **How do I enter?**

Present your ideas in whichever way you like. It could be a series of drawings on huge paper. It might be a booklet. It could be a piece of writing describing your idea. It could be a 3d model, or an audio recording or a video of you describing your idea. Be *creative*.

**Your ideas really count.  
Get involved.**

**Hand your entry to your class teacher by Friday 18<sup>th</sup> June.**
